

ANDREA BAILEY

— FOR NY STATE ASSEMBLY —

A little about me...

I'm a lifelong Upstate New Yorker who believes in hard work, common sense and taking care of our communities. My experience in business, local government and as Livingston County Clerk prepared me to be a strong voice for our district in Albany.

A FEW THINGS I'VE BEEN WORKING ON

- ★ **Making Energy Policy More Affordable** A05395 • Co-Sponsor
Supported requiring New York to consider the costs of emissions standards and renewable energy mandates. Key affordability, feasibility and economic-growth considerations were included in the 2026–27 State Budget.
- ★ **Responsible Renewable Energy Recycling** A07537 • Primary Sponsor
Would require manufacturers of solar panels, wind turbines and batteries to collect and responsibly manage these materials when they are taken out of use.
- ★ **Protecting the Future of Farmland** A07607 • Primary Sponsor
Creates a statewide Farmland for a New Generation program to support farmland transition, conservation and resources for the next generation of farmers.
- ★ **Holding Public Authorities Accountable** A02291 • Co-Sponsor
Would require public utility authorities to obtain legislative approval before raising rates or fees or imposing new ones—adding oversight before additional costs are passed to ratepayers.
- ★ **Honoring Clara H. Barton in Dansville** A10792 • Primary Sponsor
Dedicates a portion of State Route 63 in Dansville in honor of American Red Cross founder Clara H. Barton and the community's important place in her legacy.
